

# **Actualizaciones del director**

Ya llevamos un mes de clases y oficialmente es otoño. Los estudiantes deberían empezar a ver sus primeras calificaciones de evaluación publicadas en PowerSchool; para obtener ayuda con el acceso a las cuentas, por favor, contacten a los consejeros de su estudiante (jfranzoni@rinimc.org y afleury@rinimc.org) o a la Sra. Alford (jalford@rinimc.org). Estas primeras evaluaciones pueden servirles como punto de partida para el semestre y establecer metas, y pueden quedarse con sus profesores después de clase para recibir ayuda adicional o recuperar las evaluaciones que no hayan presentado.

Quiero felicitar a nuestros estudiantes por su asistencia durante el primer mes del año escolar. Durante las últimas cuatro semanas, el 90% de nuestros estudiantes han asistido a clases. Esto coloca a RINI muy por encima del promedio estatal de asistencia, y queremos asegurarnos de mantenerlo. La asistencia es importante, así que sigan asistiendo a la escuela todos los días, puntualmente.

Hemos actualizado nuestra política de salidas anticipadas. Puede consultarla en su totalidad en este boletín informativo, pero las conclusiones clave son que los estudiantes que salgan temprano deben traer una nota a la secretaría antes de su primera clase, que no podemos atender salidas anticipadas por teléfono y que los padres deben presentarse en el edificio y registrarse en el mostrador de seguridad para poder retirar a sus hijos.

Próximamente se enviará un formulario sobre el almuerzo gratuito o a precio reducido. Este se enviará por ecollect, y es importante que las familias lo completen. Solo es necesario completarlo una vez, incluso si tienen varios hijos que asisten a RINI. Este documento es importante para nuestro programa de almuerzos y es vital que todas las familias lo completen.

Hemos anunciado a los ganadores del Cuadro de Honor de Primavera 2025. Sus nombres aparecerán en este boletín. Si ven a alguno de estos estudiantes, ¡felicítenlo por su éxito académico!

Les recordamos que no habrá clases el jueves 2 de octubre.

Gracias por todo su apoyo a nuestros estudiantes.

# Procedimientos de salida anticipada

Para garantizar la seguridad de nuestra escuela y nuestros estudiantes, hemos establecido un procedimiento para salidas tempranas.

Salidas tempranas: Los estudiantes que salgan del edificio durante el horario escolar deben pasar por la Oficina de Asistencia. Una nota del padre/madre solicitando la salida temprana debe presentarse en la oficina principal antes de la primera clase del estudiante. La nota debe incluir la fecha, el nombre completo, el grado, el motivo de la salida, la firma del padre/madre y un número de teléfono donde se pueda contactar al padre/madre.

Debido al ritmo de trabajo de la oficina principal, no aceptamos salidas tempranas por teléfono.

Al recoger a un niño para una salida temprana, el adulto debe presentarse en la recepción y mostrar una identificación con foto. Una vez que el personal de seguridad haya verificado la información del padre/madre y toda la información pertinente coincida con nuestro sistema, la oficina principal se comunicará con el aula y enviará al estudiante a la recepción. Todos los estudiantes deben registrarse en la oficina principal antes de salir del edificio. No podremos llamar a un estudiante a la oficina para esperar su transporte.

Le pedimos que no envíe un mensaje de texto a su hijo/a para que baje hasta que se haya registrado con seguridad.

Si tiene alguna pregunta, comuníquese con la oficina principal al 401-680-4900.

# Keep Your Child On Track in Middle and High School: Pay Attention to Attendance

Showing up for school has a huge impact on a student's academic success. Even as children grow older and more independent, families play a key role in making sure students get to school every day and understand why attendance is so important for success in school and on the job.

## DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days a month, over the course of the school year, can affect a student's academic success.

## WHAT YOU CAN DO

### Make school attendance a priority

- · Talk about the importance of showing up to school every day.
- Help your children maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and non-urgent related medical appointments during the school day.
- Keep your student healthy. If you are concerned about about a contagious illness, call your school or health care provider.
- If your children must stay home because they are sick, make sure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

## Help your teen stay engaged

- Find out if your children feel engaged by their classes, and feel safe from bullies and other threats.
- Make sure your teens are not missing class because of challenges with behavioral issues or school discipline policies. If any of these are problems, contact the school and work with them to find a solution.
- Monitor you teen's academic progress and seek help from teachers or tutors when necessary. Make sure teachers know how to contact you.
- Stay on top of your child's social contacts. Peer pressure can lead to skipping school, while students without many friends can feel isolated.
- Encourage your child to join meaningful after-school activities, including sports and clubs.
- Support your students if you notice signs of anxiety, and if needed, seek advice from your school or health provider

#### Communicate with the school

- . Know the school's attendance policy incentives and penalties.
- Check on your child's attendance to be sure absences are not adding up.
- . Seek help from school staff, other parents, or community agencies if you need support.
