RINI Principal's Update - March 5, 2021

RINI UPCOMING CALENDAR DATES:

LUNCH TIME MEETING SERIES:

March 15: Marching On: Latest Family Updates

March 29: Bring Spring: What does Spring Hold for Students and Families?

MESSAGE FROM THE PRINCIPAL

Greetings to the RINI community.

I would like to take this opportunity to introduce myself. My name is Tammy

Ferland and I am the newly appointed Principal at the Rhode Island Nurses Institute Middle College Charter School. I am very excited to begin this journey at such an important and progressive school. I have been in education for over 18 years, first as a high school social studies teacher, then, for the past four years, as an administrator. I look forward to meeting with parents/guardians and working together to continue the important work of educating your child. I am eager to meet our students and thrilled with the opportunity to be part of their educational journey.

I know the big question on everyone's mind is "when are students returning to school"? As the Covid positive numbers decline across the state, and with careful consideration, I am excited to inform you that on Monday, March 8, all teachers are transitioning back into our school facility. Students will continue online learning as we prepare our classrooms and offices for the eagerly awaited return of our future nurses. Some other positive news this week is that educators are now able to receive the Covid vaccination, further enhancing our ability to bring our student body back to school soon.

Distance learning has not been easy but we are starting to see light at the end of this very long and difficult tunnel. As soon as it is possible, we will begin to have students return to in-person learning. I want to make sure that our school is safe for our students and faculty, and as the leader of this community, I take this responsibility seriously. I will continue to keep you informed as things evolve. Thank you for your patience and continued support of our school.

Stay safe and I look forward to our family and community partnership in preparing our students to become the next generation of nurses.

Kind regards,

Ms. Tammy Ferland,

Principal

Win a \$250 Visa Card! Complete the Survey Works Survey and your name will be entered for a chance to earn a \$250 visa gift card. This a token of appreciation for our RINI Families.

To earn the visa gift card:

- Complete the survey in a language you are comfortable with:
- [RINI SurveyWorks \(English\)](#)
- [RINI SurveyWorks \(Spanish\)](#)
- Take a picture of your screen showing you have submitted it (or provide a screenshot)
- Email image to mtsiane@rinimc.org.

Brown Emergency Medicine has launched [TeleCARE](#), a new video telemedicine acute care service. During an online tele-healthcare visit, board-certified emergency physicians provide a level of care beyond what's available in a typical urgent care setting. Patients of all ages with acute illness or injury can schedule 30-minute appointments through the secure online service at their convenience from anywhere in Rhode Island. Appointments are available from noon to midnight every day. TeleCARE physicians can order labs, imaging, e-prescribe, and send an electronic copy of the visit to a patient's regular providers. The service accepts insurance for professional charges and does not collect fees before visits. Interpreter services are available. Learn more about the service [here](#).
